... if you confess you with your mouth, 'Jesus is Lord,' and believe in your heart that God raised him from the dead, you will be saved. This will be a sign to you: You will find a baby wrapped in cloths and lying in a manger.... And the child grew and became strong; and was filled with wisdom, and the grace of God was upon him.

Luke 2:12,40

Jesus humbled himself to become a small baby. Suddenly, invincible God was a small baby boy. Jesus learned of growing. He experienced the troubles of friendship and the heartbreak of betrayal. When we pray, we must remember Jesus understands—He's been here, too.

"FOR CHRIST AND THE CHURCH"

...God is using Christian Endeavor to exalt Christ!"

Exalting Christ in the last years of the Twentieth Century is taking place through Christian Endeavor! What a blessing to be with the Christian Endeavor leaders of the International Society of Christian Endeavor and of the World's Christian Endeavor Union.

In spite of the loss of constituency of Christian Endeavor in some areas, we can rejoice that in many places God is using Christian Endeavor to exalt Christ!

At the October 1988 Board of Trustees meeting in Columbus, Ohio, we were blessed to hear of the reports from Pennsylvania with two field secretaries now at work and a telethon which was carried out by PACE youth. It is also great to know that the alumni are giving substantial support as a group. Some other states reporting meaningful Christian Endeavor events were Washington State, Washington, D.C., Virginia, Texas, Oregon, West Virginia, Ohio, and North Carolina.

Our Mexican representatives continue to greatly

bless us as they report more state unions and thousands of youth in local and state union Christian Endeavor groups.

Another special event of the past months featured Dave Jackson being videotaped at a live ResourceCentre. The Trustees seemed very receptive to the new media product. It means that Dave can now be in many places at the same time. The use of this training tape on "How to Have a Dynamic Youth Ministry in the Local Church," along with a workbook, will be a good local church or area union workshop for potential youth group advisors.

We are facing a cash crunch as we enter 1989. There is some very hopeful undegirding of permanent finances. Without the loving gifts of a previous generation through our endowment and some undesignated bequests, we would be in a much more difficult situation.

May God help us to do our best "For Christ and the Church."
